

Bulbs Planting Instructions

1

Plant in autumn
for flowers in
spring

2

Choose a
position in full
sun or partial
shade

3

Suitable for
growing in
borders or pots

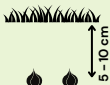

4

Bulbs thrive
around the base
of trees and in
patches of grass

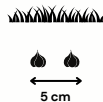

5

Plant 5-10cm
deep with the
pointed side
facing upwards

6

Allow around
5cm space
between the
bulbs

7

Cover with
soil and water
well

8
